

Class	Differences
Diag.	The wave functions are identical
BFON	At one index in a bos. species
FFON	At one index in a fer. species
BSON	At two indices in the same bos. species
FSON	At two indices in the same fer. species
BBSON	At two indices in different bos. species
FFSON	At two indices in different fer. species
BFSON	At two indices in a bos. and fer. species
